***OMCAN IS NOT RESPONSIBLE FOR
ANY DAMAGES DUE TO WATER LEAKS.
WARRANTY FOR WATER LEAKS IS VOID
IF THE AMBIENT ROOM TEMPERATURE
EXCEEDS 75°F AND 55% RELATIVE HUMIDITY,
AND THE APPLIANCE DRAIN IS NOT
CONNECTED DIRECTLY TO A FLOOR DRAIN.***

General Information

Omcan Manufacturing and Distributing Company Inc., Food Machinery of America, Inc. dba Omcan and Omcan Inc. are not responsible for any harm or injury caused due to any person's improper or negligent use of this equipment. The product shall only be operated by someone over the age of 18, of sound mind, and not under the influence of any drugs or alcohol, who has been trained in the correct operation of this machine, and is wearing authorized, proper safety clothing. Any modification to the machine voids any warranty, and may cause harm to individuals using the machine or in the vicinity of the machine while in operation.

CHECK PACKAGE UPON ARRIVAL

Upon receipt of an Omcan shipment please inspect for external damage. If no damage is evident on the external packaging, open carton to ensure all ordered items are within the box, and there is no concealed damage to the machine. If the package has suffered rough handling, bumps or damage (visible or concealed), please note it on the bill of lading before accepting the delivery and contact Omcan within 24 hours, so we may initiate a claim with the carrier. A detailed report on the extent of the damage caused to the machine must be filled out within three days, from the delivery date shown in the shipping documents. Omcan has no recourse for damaged products that were shipped collect or third party.

Before operating any equipment, always read and familiarize yourself with all operation and safety instructions.

Omcan would like to thank you for purchasing this machine. It's of the utmost importance to save these instructions for future reference. Also save the original box and packaging for shipping the equipment if servicing or returning of the machine is required.

Omcan Fabrication et distribution Compagnie Limitée et Food Machinery d'Amérique, dba Omcan et Omcan Inc. ne sont pas responsables de tout dommage ou blessure causé du fait que toute personne ait utilisé cet équipement de façon irrégulière. Le produit ne doit être exploité que par quelqu'un de plus de 18 ans, sain d'esprit, et pas sous l'influence d'une drogue ou d'alcool, qui a été formé pour utiliser cette machine correctement, et est vêtu de vêtements de sécurité appropriés. Toute modification de la machine annule toute garantie, et peut causer un préjudice à des personnes utilisant la machine ou des personnes à proximité de la machine pendant son fonctionnement.

VÉRIFIEZ LE COLIS DÈS RÉCEPTION

Dès réception d'une expédition d'Omcan veuillez inspecter pour dommages externes. Si aucun dommage n'est visible sur l'emballage externe, ouvrez le carton afin de s'assurer que tous les éléments commandés sont dans la boîte, et il n'y a aucun dommage dissimulé à la machine. Si le colis n'a subi aucune mauvaises manipulations, de bosses ou de dommages (visible ou cachée), notez-le sur le bon de livraison avant d'accepter la livraison et contactez Omcan dans les 24 heures qui suivent, pour que nous puissions engager une réclamation auprès du transporteur. Un rapport détaillé sur l'étendue des dommages causés à la machine doit être rempli dans un délai de trois jours, à compter de la date de livraison indiquée dans les documents d'expédition. Omcan n'a aucun droit de recours pour les produits endommagés qui ont été expédiés ou cueilli par un tiers transporteur.

General Information

Avant d'utiliser n'importe quel équipement, toujours lire et vous familiariser avec toutes les opérations et les consignes de sécurité.

Omcan voudrais vous remercier d'avoir choisi cette machine. Il est primordial de conserver ces instructions pour une référence ultérieure. Également conservez la boîte originale et l'emballage pour l'expédition de l'équipement si l'entretien ou le retour de la machine est nécessaire.

Omcan Empresa De Fabricacion Y Distribucion Inc. Y Maquinaria De Alimentos De America, Inc. dba Omcan y Omcan Inc. no son responsables de ningun daño o perjuicio causado por cualquier persona inadecuada o el uso descuidado de este equipo. El producto solo podra ser operado por una persona mayor de 18 años, en su sano juicio y no bajo alguna influencia de droga o alcohol, y que este ha sido entrenado en el correcto funcionamiento de esta máquina, y ésta usando ropa apropiada y autorizada. Cualquier modificación a la máquina anula la garantía y puede causar daños a las personas usando la máquina mientras esta en el funcionamiento.

REVISE EL PAQUETE A SU LLEGADA

Tras la recepcion de un envio Omcan favor inspeccionar daños externos. Si no hay daños evidentes en el empaque exterior, Habra el carton para asegurarse que todos los articulos solicitados estén dentro de la caja y no encuentre daños ocultos en la máquina. Si el paquete ha sufrido un manejo de poco cuidado, golpes o daños (visible o oculto) por favor anote en la factura antes de aceptar la entrega y contacte Omcan dentro de las 24 horas, de modo que podamos iniciar una reclamación con la compañía. Un informe detallado sobre los daños causados a la máquina debe ser llenado en el plazo de tres días, desde la fecha de entrega que se muestra en los documentos de envío. Omcan no tiene ningun recurso por productos dañados que se enviaron a recoger por terceros.

Antes de utilizar cualquier equipo, siempre lea y familiarizarse con todas las instrucciones de funcionamiento y seguridad.

Omcan le gustaría darle las gracias por la compra de esta máquina. Es de la mayor importancia para salvar estas instrucciones para futuras consultas. Además, guarda la caja original y el embalaje para el envío del equipo si servicio técnico o devolución de la máquina que se requiere.

Safety and Warranty

CAUTIONS

- Shorten the door open time and reduce open frequency is good to keep a cold temperature inside the refrigerator.
- Never block the air suction and outlet. Keep air circulation and refrigeration capability.
- Do not make food congested as it will influence the cooling effect.
- Adjust the rack height for proper food storage.

Safety and Warranty

- Cool the hot food down to room temperature before you put it into the refrigerator.
- Try to reduce the open times and keep refrigerator inside cold in case the power is cut off.
- Only skilled service man is allowed to repair the damaged power cable with special tools.
- Never touch compressor to avoid from scald.
- If the supply cord is damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid a hazard.
- This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
- Children should be supervised to ensure that they do not play with the appliance.
- The operation manual are not suitable for the persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge.
- Do not store explosive substances such as aerosol cans with a flammable propellant in this appliance.
- During normal operation, the emission noise level does not exceed 70dB(A).
- The maximum loading of the shelf does not exceed 18kg.
- The climatic class of the appliance is 4, the units are suggested to be used at 24°C (75°F) ambient temperature.
- To avoid damages or other problems, this product can not be put or stored with any corrosive food.

WARNING: Keep ventilation openings, in the appliance enclosure or in the built-in structure, clear of obstruction.

WARNING: Do not use mechanical devices of other means to accelerate the defrosting process, other than those recommended by the manufacturer.

WARNING: Do not damage the refrigerant circuit.

WARNING: Do not use electrical appliances inside the food storage compartments of the appliance, unless they are of the type recommended by the manufacturer.

ADDITIONAL WARNING

Caution: risk of fire. The height of the triangle in the symbol shall be at least 15mm

RESIDENTIAL USERS: Vendor assumes no liability for parts or labor coverage for component failure or other damages resulting from installation in non-commercial or residential applications. The right is reserved to deny shipment for residential usage; if this occurs, you will be notified as soon as possible.

1 YEAR PARTS AND LABOUR WARRANTY

Within the warranty period, contact Omcan Inc. at 1-800-465-0234 to schedule an Omcan authorized service technician to repair the equipment locally.

Unauthorized maintenance will void the warranty. Warranty covers electrical and part failures, not

Safety and Warranty

improper use.

Please see <https://omcan.com/disclaimer> for complete info.

WARNING:

The packaging components are classified as normal solid urban waste and can therefore be disposed of without difficulty.

In any case, for suitable recycling, we suggest disposing of the products separately (differentiated waste) according to the current norms.

DO NOT DISCARD ANY PACKAGING MATERIALS IN THE ENVIRONMENT!

Installation

HANDLE AND ASSEMBLING

Handle with care

Unplug wall socket before moving. Never tilt the refrigerator over 45 degrees during handling.

Storage

Always store refrigerator in a dry place.

Sufficient space

To allow for proper air circulation and increased refrigeration capabilities, the refrigerator must have at least 3 inches of space between wall and unit.

Proper ventilation

Always place the refrigerator in an area with good ventilation. For first time use, wait at least 2 hours before plugging into wall socket.

Away from heat source

Never place the refrigerator near any type of heat source or in direct sunlight, as it reduces refrigeration capabilities.

No heavy load

Never put heavy items on top of the refrigerator.

No alterations/tampering

Never tamper with, or make changes to the refrigerator. Changes and add-ons should not be installed to the inside or outside of the refrigerator.

Stable location

Unpack and place the refrigerator on flat, solid ground.

PREPARATION AND POWER SUPPLY

Exclusive power socket

Power supply should be 110V, single phase AC with exclusive single phase three pin outlet and fuse (8A). The power outlet must be in close proximity to the ground.

Installation

No shared power outlets

Refrigerator cable should never share the power outlet with any other appliance, as cable will overheat and may result in a fire.

Protect cables

Extra caution should be used when handling cables, as broken or damaged cables can cause sparking and may result in a fire.

No water flushing

Never flush the refrigerator surface. This can cause leakage, which may result in electrical damage or fire.

Never store flammables and explosives

No explosives or flammables should be stored in, or in proximity to, the refrigerator, such as gasoline, alcohol, and adhesives.

No spray

Never spray flammables such as paint or coating near the refrigerator. This may cause fire or malfunction.

After power outage

After a power outage or the unplugging of the refrigerator, wait at least 5 minutes before plugging it back in.

No medicine

Medicine should not be stored inside of the refrigerator.

Operation

USE AND CAUTION

Before use:

- Plug refrigerator into the 110V exclusive socket.
- After the refrigerator is running, confirm that air suction/filtration is in order and that it is sufficiently cold. After checking to make sure the refrigerator is working properly, it may be used.
- This appliance is not intended for use by persons (including children) with reduced physical, sensory or

Operation

mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.

- Children should be supervised to ensure that they do not play with the appliance.
- The operation manual is not suitable for the persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge.

DIGITAL TEMPERATURE CONTROLLER

Features Of Function

Small, integrated digital controller, which is applicable to the compressor of 1 HP.

Main functions are: Temperature Display/Temperature Control/Manual-Automatic Defrost by burning off/ Lighting Control/Value Storing/Self-Testing/Parameter Locking.

Front Panel Operation

1. Set temperature: Press "SET" button; set temperature will be displayed.
Press  or  button to modify and store the displayed value.
Press "SET" button to exit the adjustment and display the cold-room temperature.
2. If no button is pressed within 10 seconds, the cold-room temperature will be displayed.
3. Lighting: Press  button to activate light in refrigerator; press again to turn off.
Manual start/stop defrost: Press  button and hold for 6 seconds to either defrost or to stop defrost.
4. Refrigeration LED: During refrigeration, the LED is on. When the cold room temperature is constant, the LED is off. During delay start, the LED flashes.
5. Defrost LED: During defrosting, the LED is on. When it stops defrosting, the LED is off. During the delay of defrost, the LED flashes.
6. Digital controller reset.
When display shows "Disorder", press  button for 2 seconds until the buzzer rings, quickly press  button for 6 seconds until the buzzer rings again, the display will flash for 3 seconds and it becomes restored to the factory settings.

Maintenance

1. Notice:
Often keep the refrigerator clean and periodical maintenance is necessary.
Always unplug the socket before maintenance.
Never use damaged plug or loose socket to prevent from electric shock or short circuit.
Never flush the refrigerator.
Never use alkali detergent, soap, gasoline, acetone or brush.

Maintenance

2. Clean outside:
Dip soft cloth in neutral detergent (tableware detergent) to clean the outside of the refrigerator and then wipe it with dry soft cloth.
3. Clean inside:
Take rack out for cleaning with water.
Use soft cloth to wipe the box.
4. Shut down refrigerator for a long time:
Take all food out and unplug the wall socket.
Clean both inside and outside of the refrigerator thoroughly and open the door for sufficient dry.
The glass breaks easily. Keep the glass far from children.
5. Replacement of lamp in the light box:
If the LED lamp is damaged, it must be replaced by the manufacturer, its service agent.

Troubleshooting

Trouble	Cause and Remedy
No refrigeration.	Is the unit plugged in? Plug in the unit.
	Is the fuse broken? Replace the fuse.
	Is there no power? Ensure the outlet is operational.
Unsatisfactory refrigeration.	Is it under direct sunlight? Remove it from direct sunlight.
	Is there any heat source nearby? Ensure that there is no heat source nearby.
	Is the surrounding ventilation bad? Ensure adequate ventilation around the unit.
	Does the door close properly? Ensure the door closes properly.
	Does the door remain open for a long time? Keep the door closed as often as possible.
	Is the door seal strip deformed or damaged? Replace the door seal.
	Is there too much food congestion in the unit? Reduce the amount of food.
	Does food block the air suction or outlet? Reduce the amount of food.
	Is the temperature too high? Regulate the temperature controller.
Too noisy.	Is the refrigerator not level to the floor? Level the feet.
	Does the refrigerator contact the wall or other objects? Ensure adequate space around the refrigerator.
	Is there a loose part in the refrigerator? Tighten the part.
Contact Omcan for help if simple trouble shooting does not solve the problems.	

Troubleshooting

NOTE

The following phenomena are not issues:

- The murmur of water is heard when the refrigerator is working. It is normal as the coolant is circulating in the system.
- In damp environments, condensation might be found on the outside of the refrigerator. It is caused by high humidity. Simply use a cloth to wipe away.

Thank you for choosing Omcan | Merci d'avoir choisi Omcan | Gracias por elegir Omcan

Since 1951 Omcan has grown to become a leading distributor of equipment and supplies to the North American food service industry. Our success over these many years can be attributed to our commitment to strengthen and develop new and existing relationships with our valued customers and manufacturers. Today with partners in North America, Europe, Asia and South America, we continually work to improve and grow the company. We strive to offer customers exceptional value through our qualified local sales and service representatives who provide convenient access to over 6,500 globally sourced products.

Depuis 1951 Omcan a grandi pour devenir un des “leaders” de la distribution des équipements et matériel pour l’industrie des services alimentaires en Amérique du Nord. Notre succès au cours de ces nombreuses années peut être attribué à notre engagement à renforcer et à développer de nouvelles et existantes relations avec nos clients et les fabricants de valeur. Aujourd’hui avec des partenaires en Amérique du Nord, Europe, Asie et Amérique du Sud, nous travaillons continuellement à améliorer et développer l’entreprise. Nous nous efforçons d’offrir à nos clients une valeur exceptionnelle grâce à nos ventes locales qualifiées et des représentants de service qui offrent un accès facile à plus de 6500 produits provenant du monde entier.

Desde 1951 Omcan ha crecido hasta convertirse en un líder en la distribución de equipos y suministros de alimentos en América del Norte industria de servicios. Nuestro éxito en estos años se puede atribuir a nuestro compromiso de fortalecer y desarrollar nuevas relaciones existentes con nuestros valiosos clientes y fabricantes. Hoy con socios de América del Norte, Europa, Asia y América del Sur, que trabajan continuamente para mejorar y crecer la empresa. Nos esforzamos por ofrecer a nuestros clientes valor excepcional a través de nuestro local de ventas y representantes de los servicios que proporcionan un fácil acceso a más de 6,500 productos con origen a nivel mundial.
