Parts Breakdown

Model BS-CN-2000 19458

Parts Breakdown

Model BS-CN-2000 *19458*

Item No.	Description	Position
30470	Eccentric Small Shaft for 19458	1
30471	Clamping Wheel Axle for 19458	2
30472	Clamping Sleeve for 19458	3
30473	Positioning Wheel for 19458	4
30474	Meat Scraping Seat for 19458	5
30475	Clamping Screw for 19458	6
30476	Meat Scraping Supporting Sheet for 19458	7
30477	Pentas Hand Wheel Five-Star for 19458	8
30478	Locking Handle for 19458	9
30479	Meat Stopper for 19458	10
30480	Driven Wheel Bearing 6004Z 25x52x10 for 19458	11
30481	Driving Axle for 19458	12
30482	Driving Axle Stand for 19458	13
30483	Upper Driven Wheel 234mm for 19458	14
30484	Carrying Plate for 19458	15
30485	Motor for 19458	16
30486	Motor Tensioning Handle for 19458	17
30487	Pneumatic Spring for 19458	18
30488	Motor Tensioning Seat for 19458	19
30489	Tensioning Seat Rotation Block for 19458	20
30490	Motor Tensioning Bolt for 19458	21
30491	Motor Overturning Axle for 19458	22
30492	Motor Overturning Axle Seat for 19458	23
30493	Dismantling Tools for 19458	24
30494	Motor Housing Seal for 19458	25
30495	Motor Housing for 19458	26
30496	Motor Housing Heat Sink for 19458	27
30497	Locking Nut for 19458	28
30498	Base for 19458	29
30517	Foot for 19458	29A
30499	Enclosure 1 for 19458	30
27337	Enclosure 2 for 19458	31
30500	Lower Driving Wheel 234mm for 19458	32
30501	Hinge for 19458	33
30502	Locking Block for 19458	34
30503	Meat Pressing Block Handle for 19458	35
30504	Meat Pressing Block Lock for 19458	36
30505	Meat Pressing Block for 19458	37
30506	Water Pressing Tray for 19458	38
30507	Electric Assembly for 19458	39
30508	Saw Blade Supporting Frame for 19458	40
30509	Saw Blade Clamping Frame for 19458	41
30510	Supporting Frame Clamping Case for 19458	42
30511	Gasket for 19458	43
30512	Bellows Handle for 19458	44
30513	Clamping Decorative Cover for 19458	45
66107	Saw Blade for 19458	

Wheels: the upper wheel (Pos. 14) has the T-shape pendant. The lower wheel (Pos. 32) drives the blade and has two holes and a slotted, split-ring hub that holds the drive pin.
