# Parts Breakdown

## Model DW-CN-0457-SS 41468

| Item No. | Description                                | Position | Item No. | Description                             | Position | Item No. | Description                                | Position |
|----------|--------------------------------------------|----------|----------|-----------------------------------------|----------|----------|--------------------------------------------|----------|
| AK180    | Pizza Sticker for 41468                    | 1        | AJ415    | Upper Clutch for 41468                  | 31       | AJ432    | Door Handle for 41468                      | 61       |
| AQ864    | Front Transparent Plate for 41468          | 2        | AJ416    | Motor Bracket for 41468                 | 32       | AJ433    | Door Magnet Strip for 41468                | 62       |
| AQ861    | Left Metal Insert Part for 41468           | 3        | AJ417    | Lower Clutch for 41468                  | 33       | 70866    | Magnet for 41468                           | 63       |
| AQ869    | Rear Top Cover for 41468                   | 4        | AR550    | Plane Bearing for 41468                 | 34       | AQ859    | Light Fixing Plate for 41468               | 64       |
| AQ860    | Front Lower Metal Insert Part for 41468    | 5        | AJ418    | Rotary Shelf for 41468                  | 35       | AQ873    | LED Light for 41468                        | 65       |
| AQ867    | Top Cover for 41468                        | 6        | AJ421    | Front Pillar for 41468                  | 36       | AQ874    | LED Light for 41468                        | 66       |
| AR540    | Front Baffle of U Box for 41468            | 7        | AQ875    | Wind-Guiding Pipe Assembly for 41468    | 37       | AJ434    | Water Box Cover for 41468                  | 67       |
| AJ397    | U Cover for 41468                          | 8        | AJ419    | Rear Pillar for 41468                   | 38       | AN815    | Cover for water receiver for 41468         | 67-1     |
| AR541    | Temperature Controller Panel for 41468     | 9        | AQ876    | Cable Clip Fixer for 41468              | 39       | AR554    | Thermostat 125°C for 41468                 | 68       |
| AR542    | Temperature Controller Cover for 41468     | 10       | 61246    | Wire Clip Holder for 41468              | 40       | AR555    | Thermostat 150°C for 41468                 | 69       |
| AR543    | Bracket for 41468                          | 11       | 61245    | Wire Clamp Cover for 41468              | 41       | AQ853    | Rear Pillar for 41468                      | 70       |
| AR544    | Cover Plate of Insulation Cotton for 41468 | 12       | AJ423    | Wind Guiding Path Bracket for 41468     | 42       | AJ435    | Temperature Sensor for 41468               | 71       |
| AR545    | Copper Joint for 41468                     | 13       | AL096    | Plug 5-20P for 41468                    | 43       | AJ436    | Float for 41468                            | 72       |
| AR546    | Clip for 41468                             | 14       | AK995    | Power Line for 41468                    | 44       | 60213    | Double-Faced Protective Ring C12 for 41468 | 73       |
| AJ402    | O Ring for 41468                           | 15       | AJ425    | Shelf Bearing for 41468                 | 45       | AJ437    | Seal for 41468                             | 74       |
| AR547    | Terminal for 41468                         | 16       | AQ877    | Lower Plate for 41468                   | 46       | AQ855    | Top Panel for 41468                        | 75       |
| AJ403    | Inlet Pipe for 41468                       | 17       | AR551    | Clip for 41468                          | 47       | AQ856    | Door Bolt for 41468                        | 76       |
| AJ404    | Infall Box Cover for 41468                 | 18       | AR552    | LED Clip 2 for 41468                    | 48       | 67296    | Upper Hinge Back for 41468                 | 77       |
| AJ405    | Infall Box for 41468                       | 19       | AR553    | LED Clip 1 for 41468                    | 49       | AJ439    | U Box for 41468                            | 78       |
| AR548    | Circuit Board for 41468                    | 20       | AQ857    | Shelf Fixed Left Support for 41468      | 50       | AJ440    | U Wind Guiding Panel for 41468             | 79       |
| 30597    | Switch for 41468                           | 21       | AQ858    | Shelf Fixed Right Support for 41468     | 51       | AJ441    | Heating Element 1 for 41468                | 80       |
| AR549    | Capacitance for 41468                      | 22       | 70820    | Rubber Feet Right for 41468             | 52       | AJ442    | Fan Motor for 41468                        | 81       |
| AQ872    | LED Power Driver for 41468                 | 23       | 70819    | Rubber Feet Left for 41468              | 53       | AJ443    | Seal for 41468                             | 82       |
| AJ408    | Transformer for 41468                      | 24       | AJ429    | Back Bottom Panel for 41468             | 54       | AJ444    | Bottom Insulation for 41468                | 83       |
| AJ409    | Side Glass for 41468                       | 25       | AJ428    | Front Bottom Panel for 41468            | 55       | AJ445    | Front Insulation for 41468                 | 84       |
| AJ410    | Micro Switch for 41468                     | 26       | AJ427    | Bottom Board for 41468                  | 56       | AJ446    | Top Insulation for 41468                   | 85       |
| AJ411    | Micro Switch Bracket for 41468             | 27       | AD869    | Equipotential Grounding Block for 41468 | 57       | AQ868    | Front Top Cover for 41468                  | 86       |
| AJ412    | Back Glass for 41468                       | 28       | AD870    | Fixed Plate for 41468                   | 58       | AQ862    | Right Metal Insert Part for 41468          | 87       |
| AJ413    | Motor for 41468                            | 29       | AJ430    | Door Frame for 41468                    | 59       | AQ863    | Side Lower Metal Insert Part for 41468     | 88       |
| AJ414    | Spring for 41468                           | 30       | AJ431    | Door Glass for 41468                    | 60       | AQ866    | Side Transparent Plate for 41468           | 89       |
