ITEM: **14204**

14204

A flexible, easy-to-clean scraper for portioning and clearing dough.

An essential tool for every bakery and pizzeria, this dough scraper is made of white, flexible plastic that is user-friendly and easy to clean. It is the perfect tool for portioning dough or scraping up leftover dough mix.

Straight edges scrape counters and tables clean, while the curved edge gets product off the sides of the bowl — helping reduce food waste. Sold in packs of 12.
