

## Commercial Water Boilers

ITEM: 43463 43142  
 MODEL: WB-CN-0049 WB-CN-0098

### Have hot water readily available for use

The water boiler is equipped with a stainless steel tank that heats and stores several gallons of hot water. It features a double-wall stainless steel construction, a 2-way non-drip spigot, and the ability to boil water. Perfect for catering events, hotels, offices, churches, and schools, this water boiler is a great addition to any beverage service in smaller venues.

#### FEATURES:

- Brushed finished stainless steel construction
- Double wall structure
- Non-drip chrome-coated water faucet
- Easy-to-read water gauge indicator
- Non-slip rubber feet
- Keep temperature up at 201°F / 94°C
- Ideal for banquet halls, caterers, hotels and restaurants
