

Display Warmer Countertop

ITEM 47477
MODEL: DW-CN-0097-SF

Keep food fresh, hot, and ready at the perfect serving temperature.

Omcan's Display Warmer is the perfect solution for keeping your food hot, fresh, and ready to go. Ideal for convenience stores, cafeterias, and food service counters. This unit is designed to showcase hot food items while maintaining consistent serving temperatures.

It features brilliant internal LED lighting for enhanced visibility, an adjustable temperature controller for optimal heat control, and three chrome-plated adjustable shelves to suit a variety of items. The smooth rear sliding doors ensure easy access for staff or customers, making it a convenient and efficient addition to any high-traffic food service area.

FEATURES:

- Tempered Glass
- Sliding Doors
- Sleek Design with Interior Lighting
- Chrome Plated Adjustable Shelves
- Adjustable Divider Rods
- Adjustable Temperature controller & display
- Durable Stainless Steel Construction
