

Undercounter Ice Makers

ITEM:	47483	47484
MODEL:	IC-CN-0129S	IC-CN-0219S

Reliable, efficient ice production for busy foodservice operations.

Designed for quick setup with minimal tools and time, these ice makers deliver a steady supply of full-size 22 x 22 x 22 mm cubes to keep up with daily business demands. An intuitively designed control panel with digital display lets staff control power, ice thickness, cube size and cleaning cycles.

A large-capacity storage bin keeps ice ready for service, the air-cooled refrigeration system runs on eco-friendly R290 refrigerant, and simple maintenance and cleaning help keep the unit in optimal condition. Adjustable feet let you set the height and level of the machine to suit its surroundings.

- **Easy installation**
- **Digital control panel**
- **Adjustable ice thickness & cube size**
- **Programmable cleaning cycles**
- **Large-capacity storage bin**
- **22 x 22 x 22 mm full cubes**
- **Air-cooled, R290 refrigerant**
- **Adjustable feet**
