Attractively display food merchandise and increase impulse sales.

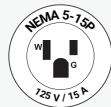

This glass display case is designed to provide customers with a clear, 360-degree view of your refrigerated products, making it easy to showcase items from all angles. The unit features three fixed shelves, providing ample space to organize and display a variety of products, ideal for busy settings. Designed for convenience and performance, it includes rear sliding doors, interior lighting, and side glass panels for maximum product visibility.

The digital temperature controller allows you to easily adjust the internal temperature and lighting, helping to keep products fresh while ensuring they are always well-lit and visually appealing to customers. This unit uses R290 refrigerant, making it both energy-efficient and eco-friendly. Its compact design fits on countertops or tabletops, making it an excellent choice for high-traffic stores, that need to save space while still showcasing products effectively.

FEATURES:

- Rear sliding doors
- Interior light
- Glass windows on each side
- Designed to fit on table tops
- 3 Adjustable shelves
