

54" Back Bar Beverage Coolers with Sliding Glass Doors

ITEM: 48469
MODEL: BB-CN-338S

A great choice for bar and open lounges with limited space.

Fits under the bar counter easily. Despite the small size, it has a good storage capacity, and ideal for storing beverages that are required for quick service or for your cocktail recipes.

The unit comes with adjustable shelves per door and gives you the flexibility to store bottles of different heights. The exterior is fabricated with black pre-coated steel and the interior is made of embossed aluminum. The unit is illuminated on the inside through LED lights that makes it easy to find what you need in a dim environment.

The unit uses the R290 refrigerant which is an environment friendly coolant and also boasts low power consumption and load power.

- Self Closing sliding doors
- Double glazed glass
- Bright internal LEDs
- Adjustable shelves
