Keep foods fresh and in customer-view with this high-performance open refrigerated floor display case.

A great addition to your establishment; providing convenience for customers to easily access merchandise. This open refrigerated display is equipped with a night curtain, which helps in reducing power consumption when not in use. The bright internal LED lighting complements the attractive finish and provides greater visibility for your displayed product. The adjustable shelf position is great for merchandising your products to your liking. It comes complete with digital temperature controls for accuracy and always fresh foods. This attractively designed display case was made to maximize space for cafes, restaurants, supermarkets and convenience stores. Use it to display dairy products, vegetables, fruits, and drinks.
