

SERVING THE FOOD INDUSTRY SINCE 1951

Floor Model Electric Convection Oven

ITEM: 48551
MODEL: CE-CN-COE 208

ITEM: 48552
MODEL: CE-CN-COE 208 2

Durable, Convenient, and Easy to Clean

Built with durable construction for reliable, long-term performance, this 10kW convection oven offers exceptional versatility for cooking a wide range of food products. Its efficient design allows for set temperatures and cook times up to 20–30% lower than standard static ovens. Available in single or double-stack configurations, this unit provides operators with years of consistent, trouble-free operation.

- Independent Doors with Full View Windows
- Bright Halogen Interior Lights
- Forced “Cool Down” Fan Mode
- High Power Heating Elements
- Porcelain Enamel Interior
