Charcoal Grill and Oven with Chimney

ITEM: 48559
MODEL: WO-CN-CG-1R

Artisanal Flame, Professional Performance

Masterfully crafted for high-capacity outdoor kitchens, this heavy-duty charcoal-fired grill and oven delivers the primal intensity of live-fire cooking to achieve superior crusts and deep, smoky flavor. Featuring a robust stainless steel chassis and precision airflow control, it offers the thermal stability and versatility required for high-volume roasting and searing in any professional open-air setting

- Stainless steel housing and interior
- 2-in-1 charcoal-fueled grill and oven combination
- Enclosed ash drawer and grease collector ensure clean workspace
- Infuses deep coal-fired flavor with 40% less charcoal consumption
- Cook all types of ingredients
- Can achieve temperature between 500-700°F (250~350 °C)
- Control airflow through dampers to regulate intensity of embers
- Retaining natural flavors in food, bring out a unique taste
- Searing and grilling the meat, enhancing the meat flavor
- Heating rack on top to keep food warm at 110°F (45 °C)
- Door color can be made to order, grey, red, blue, black or yellow
- Thermometer on the door
- Spring door hinge system makes opening and closing easy
