Ice Machine and Water Dispenser, Digital Control, 220 lb/Day

ITEM:
MODEL:48771
IC-CN-0229-D

Premium Countertop Nugget Ice & Water Dispenser — High Output, Compact Footprint.

Delivers high-capacity nugget ice production in a sleek, space-efficient design. Built with a durable stainless steel body and powered by an energy-efficient R290 refrigeration system, these units offer reliable performance for commercial environments. With customizable cup sizes, multiple dispensing options, and built-in sanitation features, they combine functionality, hygiene, and modern aesthetics in one compact solution.

- Produces soft, chewable nugget ice
- High daily output: up to 366 lbs per 24 hours
- 3 dispensing modes: Ice, Water, or Ice & Water
- LED touch, mechanical button, or infrared operation options
- Customizable cup size settings (Small / Medium / Large)
- Durable 304 stainless steel front panel
- Sealed refrigeration system prevents external contamination
- Built-in automatic cleaning system
- UV sterilization LED for enhanced hygiene
- Independent cleaning agent injection port
- Dual drainage options (rear drain pipe or bottom water pan)
- Removable air filter, water pan, and spouts for easy maintenance
- Energy-efficient R290 refrigerant
- Compact countertop footprint for commercial applications
