The best dough sheeter for your bakeries, restaurants and hotels.

FEATURES:

- Aluminium die-cast shoulders and casing
- Possibility of working all types of dough, obtaining very thin results
- Galvanized hard chrome plated, ground and polished cylinders
- Easy to remove scrapers, for quick and efficient cleaning
- Unique design prevents dough sheets from wrinkling
- Folding tables to reduce machine space when not in use
- Low voltage electrical system with dual commands (hand and foot pedal)
- Accident prevention safety guards connected to the electrical system by limit switches
- Machine mounted on wheels making it fully mobile
