- No dispenser: Provides extra-fresh ground coffee.
- Powerful: Commercial-grade, reliable induction motor.
- Average output: 25 kg/h.
- Hopper capacity: 1 kg/2.2 lb.
- Low noise level: 63 dB.

Fast, Precise and Reliable.

Fast, quiet, and built to last, the Santos #59 On-Demand Coffee Grinder delivers exceptional espresso with every dose. Designed to complement 1-group, 2-group, or 3-group espresso machines, it grinds and dispenses precise doses directly into the portafilter in less than one second. With consistent dosing and unimodal grinding, it helps deliver rich, flavorful coffee and professional-quality results, cup after cup.
