A sleek and versatile refrigerated display case with convenient built-in storage.

This deli case is a versatile solution for cafés, bakeries, and catering operations, combining sleek presentation with functional storage. Its modern square glass design showcases products on galvanized wire and epoxy-coated shelves, while keeping them protected and sanitary. A convenient storage compartment beneath allows for quick restocking, helping maximize efficiency and organization in busy environments.

Constructed with durable tempered glass and a black aluminum exterior, this unit is built to last while maintaining a polished, professional appearance. Bright LED lighting draws attention to displayed items, and the gravity coil refrigeration system preserves freshness without drying them out. Eco-friendly R290 refrigerant, automatic defrost, and a digital controller ensure reliable performance, while dual sliding rear doors and casters provide easy access and mobility, making this deli case both practical and stylish.

FEATURES:

- Bright LED lighting
- Gravity coil refrigeration preserves freshness
- Galvanized wire & epoxy-coated shelves
- Durable tempered glass front & black aluminum exterior
- Eco-friendly R290 refrigerant
- Automatic defrost with digital controller
- Dual sliding rear doors for easy access
- Casters for easy mobility
- Lower storage area for quick restock
