### Reliable and efficient storage designed for your frozen favorites.

This glass ice cream display freezer is built with lasting quality and a compact footprint, making it ideal for locations with limited space while still offering maximum flavor variety. Its sleek glass construction ensures excellent product visibility, while superior temperature control maintains ice cream at the perfect serving consistency. A built-in sneeze guard adds extra protection, making it a dependable choice for any ice cream or gelato service.

The unit is equipped with four casters for easy mobility and sliding doors with secure locks for convenient access and product safety. Available in three configurations, it can display and store a range of tubs: 8-tub capacity with storage for 4 additional three-gallon tubs, 12-tub capacity with storage for 8, or 16-tub capacity with storage for 12. Designed for both style and performance, this dipping freezer is the perfect solution for showcasing frozen treats with freshness and appeal.

### FEATURES:

- Durable glass construction
- Sleek design with excellent product visibility
- Consistent temperature control
- Built-in sneeze guard for added protection
- Sliding doors with secure locks for easy access
- Four casters for smooth mobility
- Automatic defrost
- Available in 3 configurations:
- 8 tubs + 4 stored, 12 tubs + 8 stored, 16 tubs + 12 stored
