ITEM: **80567** **80568** **80569**

Display your best-selling pastries in a clear acrylic case.

These sturdy acrylic display cases give customers a clear view of freshly baked goods. Magnetic-latching rear doors with white handles let staff restock and clean from behind the counter, and the trays lift out for cleaning. The 2-tray and 4-tray cases add front doors so customers can serve themselves; the 3-tray case opens from the rear only, for full-service counters. Ideal for cafes, caterers, concession stands and more.
