

Speed Bar Rails

ITEM: 80862 80863 81095 80864

Omcan Speed Bar Rails – Efficiency Meets Durability!

Designed for fast-paced bar environments, Omcan Speed Bar Rails offer a sleek, durable solution for organizing and accessing bottles with ease. Crafted from **high-quality stainless steel**, these rails not only look professional but also provide long-lasting strength against daily wear and tear. Available in **four sizes** to suit any bar setup, these rails make it simple to keep your spirits, syrups, and mixers at your fingertips, allowing bartenders to deliver quick service with style. Perfect for commercial bars or home setups!
