

Stainless Steel Stuffing Horns

ITEM:	10472	10471	10473
NSF ITEM:	46792	46791	46793

Stainless steel stuffing horns for netting boneless and semi-boneless cuts.

Load elastic meat netting over the front opening, then push the meat through from the wide rear opening so it comes out netted. Three sizes cover netting sizes 12 through 28, and each size is available in a standard version and an NSF version.

- **Stainless steel construction**
- **Mounted on a flat base plate**
- **Small, medium and large sizes**
- **NSF versions available**
