### Increase your production and efficiency with our Refrigerated Chef Base

Add this refrigerated chef base to your kitchen for a convenient way to hold and store cold foods exactly where you need them! This chef base enhances both space and productivity, allowing you to easily place countertop cooking equipment on top while keeping your cold ingredients readily accessible.

#### FEATURES:

- Made of 304 Stainless steel made interior and exterior and a matching aluminum finished back
- Easy to clean interior with rounded corners
- Constructed with heavy-duty reinforced stainless steel top with drip-resistant "V" edge to avoid spillage
- Refrigeration system holds 33°F to 41°F (0.5°C to 5°C) for the best in food preservation
- Electronic control system: Adjustable temperature control and defrost frequency
- Standard drawer features: Heavy-duty pull handle, tracks and rollers. Ensuring drawers are easy to open and close while maintaining a quality performance
- Standard heavy-duty casters included
- Accessible condenser coil for easy service access
