

16" Electric Single Chamber Pizza Oven With Glass Door

ITEM: 44309
MODEL: CE-CN-0016G

An efficient appliance that can cook pizzas, bread and various snacks, adding versatility to your kitchen and maximizing your work station.

KEY FEATURES

- Stainless-steel construction is corrosion resistant providing durability and appliance longevity.
- Thermostat and time control enable precise and consistent temperature regulation.
- Top and bottom heating elements distribute the heat evenly inside the chamber ensuring the food is evenly cooked.
- Insulated double wall body retains the heat and minimizes energy consumption.
- The removable crumb tray and baking grill are made of stainless steel that is stain-resistant and easy to wipe down.
- Fast cooking time in just 30 minutes with a ready bell streamlines your busy kitchen, allowing for a quick orders turnaround.
