MEAT SLICERS

9-INCH BELT DRIVEN MEAT SLICER

TECHNICAL SPECIFICATION

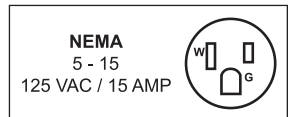

Our slicers have anodized aluminum alloy bodies. The high carbon steel blades are hard chromed, with a hollow ground taper for extended sharpening and blade life. These belt driven machines offer exceptional cutting consistency and durability. The carriage moves smoothly on ball bearings allowing effortless cutting of deli meats and vegetables. Easy to disassemble for quick cleaning. Perfect for low volume operations. Made in Italy.
