

Lobster Cutter

Item: 27863

Effortless Lobster Tail Cutting with Omcan Lobster Cutter.

Easily cut lobster tails with this polypropylene cutter! It features a sharp, durable stainless steel blade, a sturdy, easy-to-clean polypropylene board, and an adjustable guide plate for precise cuts. A blade stopper prevents cutting through the lobster, while suction cup feet keep it stable and safe to use. This tool is a quick and efficient alternative to a handheld cracker.

TECHNICAL SPECIFICATION

Item	27863
Material	Polypropylene, Stainless Steel
Quantity	1 / Case
Blade Length (with handle)	18.8" (480 mm)
Blade Width	2.2" (56 mm)
Net Dimensions	18.75" x 10" x 3.75" (476.2 x 254 x 95.2 mm)
Gross Dimensions	19" x 11" x 5" (482.6 x 279.4 x 127 mm)
