## DIMENSIONS

(Measurements in diagrams are in inches)

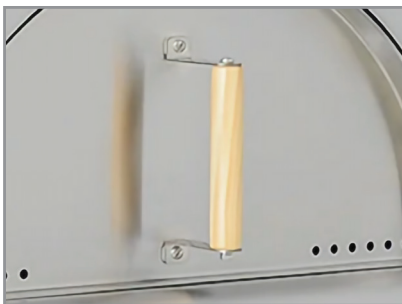

Fire brick system heats up quickly and makes direct, even contact with your food for perfect cooking.

Thermometer keeps track of your oven's temperature with ease thanks to the built-in thermometer.

Smoke Window expels excess smoke from combustion.

Stay safe while handling your oven with the effective heat isolation provided by the wooden door handle.

Gas Switch provide optimal fire control.

Adjustable legs with rubber feet guarantee stability on any surface, preventing tipping and other dangerous situations.
