

BABY CHANGING STATIONS

SERVING THE FOOD INDUSTRY SINCE 1951

Horizontal Baby Changing Station Table

ITEM: 48100

Specifically designed for use in commercial restrooms such as in restaurants, businesses, preschools, daycares, churches, or even residential properties.

This changing station can hold a significant amount of stationary weight. It features a smooth, comfortable concave surface, accompanied by an adjustable safety strap to ensure children are securely held in place.

The maximum weight for the unit (including the baby and parcel bag) is 50 lb. (22.6 kg.) Exceeding the maximum weight may cause instability and potentially hazardous conditions.
