Maximize your bar or restaurant's efficiency with this sleek back bar cooler, designed to optimize your space and keep beverages perfectly chilled.

Effortlessly keep a diverse selection of bottles within reach behind the bar with this counter-height back bar refrigerator. Offering chilled storage, it's perfect for housing your favorite beers, ales, ciders, and other beverages. Its sleek, narrow design ensures it fits seamlessly into compact spaces, making it an excellent choice for bars with limited room. The counter-height feature includes a finished top that provides additional workspace, while having casters make it easier to move.

FEATURES:

- Durable and spacious
- High-quality stainless steel 304
- CFC-free refrigerant and foam
- Digital temperature controller and LCD display
- Adjustable heavy-duty PVC coated shelves
- Round interior corners for easy cleaning
- Self-closing doors fitted and durable door lock
- Uses Hydro-Carbon R290 refrigerant which is environmentally friendly and more efficient
- Casters with brake
