

## 15" Red Silicone Oven Mitt

ITEM: 81045

The 15" Red Silicone Oven Mitt is a kitchen essential designed to provide reliable protection and comfort while handling hot cookware, bakeware, and kitchen utensils. Crafted from high-quality silicone material, this oven mitt combines durability, heat resistance, and flexibility to make your cooking and baking experiences safer and more enjoyable.

### FEATURES:

**Size and Design:** This oven mitt measures 15 inches in length, offering extended coverage for your hands and wrists. Its vibrant red color adds a touch of style to your kitchen decor.

**Heat Resistant:** The silicone construction of this mitt is highly heat resistant, with the ability to withstand temperatures up to 550° Fahrenheit / 288 degrees Celsius. This means you can confidently handle hot pots, pans, and baking trays without feeling the heat.

**Flexible and Non-Slip:** The mitt's flexible silicone material allows for a comfortable and secure grip on a variety of kitchen items. The textured surface ensures a non-slip hold, reducing the risk of accidents in the kitchen.

**Easy to Clean:** Cleaning is a breeze with this oven mitt. Simply wipe it clean with a damp cloth, or if needed, it is dishwasher safe for more thorough cleaning.

**Durable:** Made from high-quality silicone, this oven mitt is designed to last, even with frequent use. It won't tear, fade, or deteriorate over time.
