

Trento Vertical Vacuum Packaging Machine with 5 m3h

ITEM: 48246
MODEL: VP-IT-0005

Introducing our vertical compact vacuum packaging machine, perfect for liquids, granulates, and powders—ideal for bars or as an additional unit.

This thoughtfully designed product fits seamlessly into any kitchen space while accommodating 300x350 mm bags that hold up to 3 liters.

Control is effortless with an intuitive touch keyboard and integrated Wi-Fi chip, allowing for quick adjustments to vacuum time and sealing processes. Besides marinating and maintenance functions, you can also create up to 10 custom programs to suit your needs.

FEATURES:

- Max bag size 300x350 mm which can easily hold 3 Lt
- EASY TOUCH controls
- Lid without pistons
- Practical niches on the profile to move the unit
- Extraordinary patented solution for internal cleaning
- Transparent sides of the tank offer perfect visibility inside the tank
- Side panels can be easily and completely disassembled without tools for easy and thorough cleaning inside the tank
